## Age Requirements

Students must be 7 years old to participate in group lessons with the exception of the Mommy/Daddy & Me Group Lesson. Some parents feel that their child is emotionally, mentally, and physically mature enough to handle face mask & social distancing requirements in group lessons younger than age 5. If this is the case, the student must be assessed by an instructor in a private lesson before attending a group lesson. Please call 509-935-6649 ext 610 to schedule this assessment.

## Chair Lift Safety

Students in group lessons are not always able to ride with the instructor. We care about our students and take great care to make sure that learn how to ride lifts safely. It is common for students to not ride with an adult in group lessons. If you have concerns about the chair lift, please inform the instructor at the beginning of each lesson.
