

Lesson Specific COVID Information

This year has offered unique challenges but we are excited to provide a wide variety of lessons to allow families to get out and enjoy winter in the mountains. We are working hard this season to ensure guest safety, comfort, and satisfaction. Here are the changes as of the beginning of the season.

- We plan to operate our normal schedule of Friday-Tuesday and Holiday Periods.
- To limit traffic and congestion, we will be asking that whenever possible only one parent/guardian (no additional friends or family members) come to lesson drop-offs and pick-ups. We are also asking that traffic in the Ski & Snowboard School Office be limited to only individuals who need to be there. Whenever possible we ask that only one adult or chaperone from a group/family come into the Ski & Snowboard School Office. Our office staff is also available by phone or email to answer your questions. You can reach them at: 509.953.6649 ext. 610 or skischool@ski49n.com
- Social distancing will be encouraged for all guests and employees. Class sizes will be limited to allow for more on hill distancing between students and classes. Most class times have changed to allow for a more spread out usage of our indoor spaces. We ask that everyone pre-register before arriving at the resort to help facilitate limiting social contact. We will not be offering supervised lunches for students this season and space in our Discovery Club will only be available for students who need rentals.
- Masks/face coverings will be required for both staff and guests while in any indoor space, except while seated and dining in a designated area. Masks/face coverings will also be required in outdoor areas where social distancing is not possible. This will likely include areas such as Snowsport School Office, lift lines, chairlift unloading zones, the Teaching Area or other more congested spaces. Students should come prepared with a face covering and based on current guidelines they will need to wear them during their lessons.
- The main change you will see is that we are not offering our regular group lessons for students under the age of 7. We encourage these younger students to stay with their families while at the mountain. We are offering 2 exciting new products as a result:

Mommy/Daddy & Me Group Lesson (ages 4-6)

- Available from 10am-11:30am on Saturdays and Sundays

This new lesson package provides a small group lesson for you and your little one! Kids will receive ski instruction while parents learn tools to support and help their child hone new skills after the lesson is complete. This package is also great for children who need extra support from their parents while learning to ski or ride. *Class size is limited, reservations are highly recommended

1.5 hr small group lesson - **\$69** per parent/child

Private Group Lesson (up to 5 students) – Available Daily

A Private Group is a great way to get personalized coaching while spending the day with your friends or family. This lesson is available for up to 5 students with one instructor. Your scheduled time can be shared with the whole group or students can trade-off turning the lesson. We offer ski and snowboard instruction at all ability levels to keep you growing and learning new skills. * Reservations are recommended.

2 hour - \$219 / Half Day - \$279 / Full Day - \$399

All of our COVID updates throughout the season will be posted at:

<https://bit.ly/49nUpdates> Customer are encouraged to follow us on social media and website throughout the season for the latest updates as they are released. More classes may become available as the season progresses.

We will be following Washington State Safe Start guidelines as well as connecting with local health authorities, with the goal of creating a comfortable, safe environment where our guests are able to relax a little bit and enjoy themselves. 49 Degrees North is located in Stevens County, and you can find more information about the current phase and guidelines for our region here - <https://www.netchd.org/>.
